

JUGLAL SINGH
MEMBER SECRETARY

Dated the 24th February, 2016

Dear Sir/Madam,

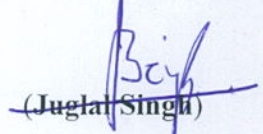

As you are aware, the NCTE under revised Regulations-Norms and Standards (2014), introduced *Yoga Education as a compulsory area of study in all the teacher education programmes recognised by it*. The rationale for introducing this area of study in the curricula of teacher education in the country was its significance as a science of life and living, to lead the individual to a state of health, happiness and harmony with the self and others. And thus, Yoga is truly educational and scientific in letter and spirit. It is for its proven utility that this area which, though, is embedded in ancient Indian culture and scripture, is being accepted the world over as a way of life.

To facilitate the learners, especially the teacher educators and the would - be teachers, the NCTE published three Modules on Yoga for B.Ed., M.Ed. and D.El.Ed. These modules are most authentic publications in respect of the content and method, which have been produced under the guidance of globally renowned scholars and practitioners of Yoga science. It is heartening to note that these Yoga modules in Hindi were released to the nation by Hon'ble Prime Minister of India very recently. The English versions of these modules were released to the nation last year under the aegis of International Day of Yoga (June 22, 2015) by Smt. Smriti Zubin Irani, Hon'ble Minister of HRD, Govt. of India.

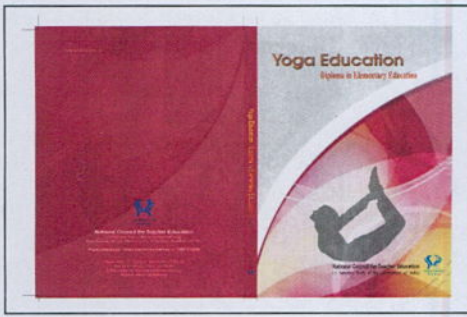

These modules are available at the NCTE Hqrs, New Delhi and are priced publications. The prices of the B.Ed., M.Ed. and D.El.Ed. modules are Rs. 400/-, Rs. 400/-, and Rs. 500/- respectively and will be made available to institutions of Teacher Education only for their libraries. However, the NCTE has also published student editions of these modules, which will be priced as Rs. 200, Rs. 200 and Rs. 250 respectively. For the Libraries, these will be sold in full sets of three modules in Hindi or English or both.

The Yoga Module are compulsory part of curricula of these programmes, therefore, we advise that at least three sets of each of these modules, may be procured for the use of prospective teachers and teacher - educators in your University/Institute.

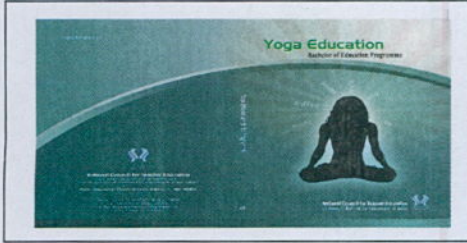

Your order for purchase of these modules should be accompanied by a Demand Draft of Rs. 1300 per set (of 3 books) plus postage charges @ Rs. 225/- per set drawn in favour of Member Secretary, NCTE, Hans Bhawan, Block II, Bahadur Shah Zafar Marg, New Delhi - 110002 payable at New Delhi with postal address and telephone no.
